

# HELP YOUR STUDENTS REALIZE THEIR POTENTIAL

Improve test scores **across the board** with our ACT and SAT prep programs tailored to the needs of your students.

## Tutoring

Private or small group. ACT, SAT, and Subject Tests. Academic subject tutoring. Regents or other state exams. Our tutoring approach is focused toward every student's individual needs, with personalized pace and content.

## Teacher-Led Prep Courses

Our teachers understand the subject matter, how to approach the test, and will prepare your students with effective test-taking strategies that play to their unique strengths.

## Practice Exams

Most students fall short of their goals on the ACT and SAT due to lack of practice. We offer a pencil and paper authentic practice experience that is stress-free, convenient, and affordable for schools.

## Web-Based ACT & SAT Prep for Schools

Our unique web-based ACT and SAT prep program is designed to integrate easily into your current curriculum. The program is broken up into short, fifteen-minute sessions and will help to increase subject mastery and boost test scores.

Our proven methods get results – that's why  
Method Test Prep is used by over 1,000 schools.
