

SAT + ACT Tutoring

IN-PERSON OR ONLINE

Doing well on the SAT and ACT is a matter of matching your individual strengths to the concepts on the exams. Developing strategies that favor your personal learning style will make all the difference on test day. Our tutors help you do just that.

Our SAT & ACT tutoring options provide:

Expert Tutors

Our tutors are intelligent, dynamic SAT and ACT experts. All of our tutors are recruited and trained by the very team members who founded MTP and created its strategies.

Personalization

There is no such thing as a "typical" student. Therefore, we don't have a "typical" curriculum. Our tutoring approach is focused toward every student's individual needs, with personalized pace and content.

Flexible Options

We know how tough it is to fit SAT and ACT prep in between academics and extracurricular activities. That's why we offer tutoring options in your home, at our Long Island centers in Plainview and Mineola, NY, and over the web.

At Method Test Prep, we pride ourselves in our ability to fit your needs. Whether you're looking for private or small group tutoring, we have the right plan for you.
